

The Chronicles of Israel

A study on Israel, her kings, and truth versus consequence

Magnolia Bible Church Alexander Sunday Bible Study
Fall 2026 (August through November)

Provided in the table below is the outline for our Chronicles of Israel Fall 2026 series. A primary purpose of this series is to open our eyes to the consequences of sin but also appreciate the grace and forgiveness that the Lord gives to people humble themselves and seek His face. God is looking for a few committed followers who seek to honor Him with their lives and challenge those around them to do the same.

For most of us this is a “bucket list” Bible study. Few in the church today can claim to have completed an in-depth Old Testament study on the history of Israel. We’ll explore the good, the bad, and the ugly! God’s great plans for this nation were thwarted by their sin and selfishness; thus, restraining His blessings for a future date yet to be fulfilled. This series will open our eyes to the rewards for obedience and the consequences of sin, which are true for us as they were for the nation of Israel.

As it was more than 3,500 years ago, the question that lays before us is always *truth versus consequence*.
